SMC WALKATHON BIG SUCCESS

As a major contribution to the increased participation in the operation of their school, the students of St. Michael's College School held a walkathon on Saturday, October 17, 1970. Assisted by the teaching staff, the students were attempting to raise sufficient funds to alleviate the financial burden imposed upon the school by necessary capital expenditures. The expenditures involved included:

- installing a new fire alarm system,
- putting a new roof on the school,
- expanding the library,
- adding new chairs to the cafeteria and the gymnasium, as well as,
- meeting the United Appeal pledge, and
- aiding the missions.

Following a route laid out by Father Meagan, 400 students and 20 staff members walked 20 miles

and raised a total of \$25,000.00. Although some were plagued by blisters and stiff muscles, all of the walkers reached the finish line. Those teachers not involved in walking were either on duty at the check-points, or driving the nurses around to the various first-aid posts.

The top money raiser of the event was school principal, Father Norman Fitzpatrick, who received \$3,420.00 in pledges. Bohdan Babiak, who raised \$640.00, was the number one fund raiser among the students. One of the student's parents, Mrs. Siatkowski, participated and raised \$119.00.

Although the walkathon was not scheduled to begin until 8:15 a.m., a number of the students arrived at the school for the walk at 7:00 a.m. They were attempting to partake of the free hamburgers being offered to the first 100 walkers by the Harvey's outlet at St. Clair Avenue and Caledonia Road. The

Burger King Restaurant at Lawrence Avenue and Dufferin Street offered free cokes to all the participants.

Covering the course in the fastest time of 3½ hours were students Tibor Baranyi and Peter Baiocco. Most of the entrants walked the course in approximately 8 hours, and all had finished by 6:30 p.m. The school track team, competing in a track meet on the day of the event, jogged their way around the route on Sunday.

Everyone who participated in the walk received a tremendous feeling of accomplishment, not only because of the money that they raised for such a worthy cause, but also in the realization that they possessed the physical stamina to complete this feat. The students and the staff of the school showed great enthusiasm and competence of this highly successful venture, and they are to be heartily congratulated.

BUZZER BOOSTER BARGAIN

This year the Buzzer Hockey Club, in association with the Junior "B" Hockey Committee, is offering a great bargain to Old Boy hockey enthusiasts. They are offering a season pass for \$3.00 to all Old Boys who can produce a 1970-71 membership card. As there are approximately 18 home games remaining in the schedule, and the admission price for each home game is normally \$1.25 per person, this would amount to a substantial saving for all those who enjoy this exciting, fast paced type of hockey.

In addition to the abovementioned bargain, all S.M.C. Old Boys, Quarterback Club members, and their friends who attend the Buzzer Booster Nights on November

20th, January 15th and January 22nd will be able to relax in the Old Boys' Room above the arena on those nights. The room will be open before the game from 7:30—8:00 p.m., between periods, and after the game until 11:00 p.m. Refreshments will be available in the room at cost prices.

So come out and "Boost the Buzzers", and relax in the Old Boys' Room on Buzzer Booster Nights.

Message from the president

It is with great pleasure that I assume the responsibility of the Presidency of the Old Boys' Association in this our 26th year. The confidence expressed by the members of the Association in bestowing this honour upon me is most gratifying, and I am highly appreciative.

Last year, in his capacity as President of our Association, Frank Morneau exemplified the leadership that we have come to expect during the past years. On behalf of the Old Boys' Executive, I wish to thank him for his magnificent contributions in furthering the goals of the Association and hope that he will continue his relationship with us for many years to come.

This year we are privileged to have as our Moderator, Father Joseph Penny. Father Penny was also recently appointed Basilian Superior of the High School, succeeding Father John Egsgard. A

teacher of English Literature for the past twenty years, he is well known to most of the students who have attended the School. We wish him every success in his new post with the Basilian Order, and also look forward to a pleasant and productive association with him this year as our Moderator.

This year's schedule of events has been planned to take advantage of last year's successful program. On October 30th we had the first event on our calendar, a "Buzzer Booster Night", held in co-operation with the Junior "B" Hockey Committee. We will be holding three more such nights:

- Friday, November 20, 1970;
- Friday, January 15, 1971;
- and
- Friday, January 22, 1971.

On Friday, December 4, 1970, we will be holding our annual Reunion and Turkey Roll Stag in the school

gymnasium. Two days later, on December 6th, the arena will open every Sunday for family skating. We hope to hold our Communion Breakfast on Sunday, February 14th or 21st, 1971.

One of our side projects this year will be the up-dating of our mailing list. During the past year or two we have lost touch with some of our members who have changed addresses. In this respect, would you kindly forward to the Association the names and new addresses of any Old Boys who would be interested in receiving this Newsletter and any of our mailings.

In closing, I wish to extend a cordial invitation to all Old Boys to participate in our many forthcoming events.

Sincerely,

Francis G. Thickett.
